Task	Hours	%	Timeline
NLP MAPS	**0h**	**0%**	Mar '23 – Jun '23
Research Current Methods for mac...	**0h**	**0%**	Research Current Methods for machine learning on NLP Embeddings
Read Current Papers & Bring Ideas F...	0	0%	Read Current Papers & Bring Ideas Forward (Meena & Shijiel)
Conceptualize strategies to impleme...	0	0%	Conceptualize strategies to implement meta-embedding or selection algorithms(Andrew)
Improving Models on IMDB dataset	**0h**	**0%**	Improving Models on IMDB dataset
Research methods to boost model pe...	0	0%	Research methods to boost model performance from Winter Quarter (everyone)
Incorporation Tensorflow and Pyto...	**0h**	**0%**	Incorporation Tensorflow and Pytorch
Research methods to incorporate mo...	0	0%	Research methods to incorporate more advanced models such as tensorflow or pytorch into the repo (everyone)
Research of extrinsic and intrinsic ...	**0h**	**0%**	Research of extrinsic and intrinsic performance metrics, decide which metrics to use for final alg
Research extrinsic vs. intrinsic meth...	0	0%	Research extrinsic vs. intrinsic methods, decide on final alg (everyone)
Identify final list of models for pro...	**0h**	**0%**	Identify final list of models for project, present to dow
Present new models, advantages, an...	0	0%	Present new models, advantages, and disadvantage to dow as well summary of current research (everyone)
Update Models with new tensorflo...	**0h**	**0%**	Update Models with new tensorflow embeddings
Push updated Word2Vec with tensorf...	0	0%	Push updated Word2Vec with tensorflow embeddings (Andrew)
Work on TFIDF and BoW models (Me...	0	0%	Work on TFIDF and BoW models (Meenal)
Work on CoVe and Fasttext (Shijie)	0	0%	Work on CoVe and Fasttext (Shijie)
Update README, .gitignore, and t...	**0h**	**0%**	Update README, .gitignore, and train models on PSE dataset
Update .gitignore (Shijie)	0	0%	Update .gitignore (Shijie)
Update README (Shijie)	0	0%	Update README (Shijie)
Update GANNT Chart (Andrew)	0	0%	Update GANNT Chart (Andrew)
Push Example TF-IDF and BoW noteb...	0	0%	Push Example TF-IDF and BoW notebooks (Meenal)
Continue to Train Models on PSE D...	**0h**	**0%**	Continue to Train Models on PSE Dataset
Delete CoVE from ensemble, train Fa...	0	0%	Delete CoVE from ensemble, train Fasttext on Dataset (Shijie)
Train Word2Vec and ELMo on PSE Da...	0	0%	Train Word2Vec and ELMo on PSE Dataset (Andrew)
Train BoW and TF-IDF on PSE Dataset...	0	0%	Train BoW and TF-IDF on PSE Dataset (Meenal)
Updating github workflows (Shijie)	0	0%	Updating github workflows (Shijie)
Boosting Model performance on D...	**0h**	**0%**	Boosting Model performance on Dow Dataset
Update environment.yml (Shijie)	0	0%	Update environment.yml (Shijie)
Finish enhancing word2vec and ELMo...	0	0%	Finish enhancing word2vec and ELMo performance (Andrew)
Prepare Slides and Final Recommen...	0	0%	Prepare Slides and Final Recommendations for Dow Meeting on June 5 (everyone)
Remove files of concatenated ensem...	0	0%	Remove files of concatenated ensemble and selection algorithm (Andrew)
Find best overall performing model a...	0	0%	Find best overall performing model and classifier from methods tested, group meeting (everyone)
Finish project, final sprint	**0h**	**0%**	Finish project, final sprint
Last meeting with Dow, give final pre...	0	0%	Last meeting with Dow, give final presentation (everyone)
Final in class presentation, work on sl...	0	0%	Final in class presentation, work on slide throughout week (everyone)
Write Final Test Cases for Bag of Wo...	0	0%	Write Final Test Cases for Bag of Words, BERT, and TF-IDF (Meenal)
Write Final Test Cases for ELMO, Wo...	0	0%	Write Final Test Cases for ELMO, Word2vec, selection (Andrew)
Write Final Test Cases for Fasttext, G...	0	0%	Write Final Test Cases for Fasttext, GLove (Shijie)
Remove old, obsolete files (everyone)	0	0%	Remove old, obsolete files (everyone)
Update README (Shijie)	0	0%	Update README (Shijie)
Make final GANTT chart for whole qu...	0	0%	Make final GANTT chart for whole quarter (Andrew)
Upload old Dow meeting notes into d...	0	0%	Upload old Dow meeting notes into documentation (Shijie)
Write selection algorithm, determine...	0	0%	Write selection algorithm, determine best methods for PSE and IMDB (Andrew)
